Premium Engineered Doors

PORTIUM 

Create your dream door

All of our Portium doors are supplied with this premium specification as standard. However, you can make your door as unique as your home, with the option to upgrade your hardware and glazing choices.

We offer external etching on all of our doors as standard, with a sleek, smooth finish on the inside. Internal etching is also available as an upgrade – simply ask your showroom representative for more information.

Quality at its core

Engineered to perfection

Your home is your sanctuary, so our timber front doors are designed with both beauty and function in mind.

Our exquisite range of styles are crafted for homes of every kind, with both contemporary and traditional finishes in a wide range of colours. Each door is 68mm thick for comfort and security, ensuring that you can bring your vision to life without compromising on quality. Our unique Portium core prevents against warping and bowing, giving you a beautiful entrance for years to come.

- 68mm thickness for increased security, noise reduction and thermal efficiency
- Stainless steel marine grade hardware with a lifetime guarantee for durability, reliability and corrosion resistance
- German engineered slab, guaranteed for 10 years against warping, bowing and twisting
- Hardwood timber-clad aluminium outerframe for unrivalled strength that's triple sealed to reduce heat loss and improve weather-tightness
- Winkhaus AV3 slam/shut lock included as standard, with PAS24 for additional security
- Security Plus triple glazing for exceptional thermal performance

Stunning styles for every home

While no two Portium doors are the same, we've created a range of sophisticated styles to give you inspiration. Whatever option you choose, each door is customised to your specification.

Elegantly designed, each 68mm thick door features a sleek, smooth finish and is crafted from the highest quality timber.

Colours

Whether you love bold and bright shades or are looking for something more subtle and suave, our range of contemporary colours is sure to delight.

We can supply doors in any shade. To guarantee your colour is protected for years to come, every door leaves our facility with the equivalent of 10 coats of paint.

Glazing

We know that the right glazing gives your door the perfect finishing touch. That's why we offer either clear or satin finish triple-glazed laminated security glass that meets PAS 24 regulations as standard.

We can also provide a clear border style or etched grooves that match your door grooves for an ultra-modern look.

Hardware

Our hardwearing contemporary 316 marine grade stainless steel hardware, from Coastal Blu, provides the perfect complement for your door, no matter which style you choose.

Every Portium door is supplied with a Winkhaus AV3 slam shut lock with day/night function as standard, with a 3-star security cylinder and 2-star security escutcheon. All of our hardware comes with a lifetime guarantee, so you can be sure your home stays stylish and secure.
